Dear Recruiter,

Please accept this letter as an expression of my interest in the Data Engineer position. I am a highly motivated and progress-focused MIS Development with a long-standing background in this industry. With a track record of initiative and dependability, I have devised strategic initiatives which I believe will prove valuable to Traveloka.

Throughout the course of my career, I have perfected my designing databases and developing ETL abilities. I am a capable and consistent problem-solver skilled at prioritizing and managing projects with proficiency. In my previous role, I contributed leadership and teamwork toward team efforts and business improvements. I am progressive minded and in tune with new developments in my field. I have proven to be effective and collaborative with strong management talents. I enjoy collective brainstorming sessions which all me to coordinate activities to achieve a common goal.

Please take a moment to review my attached resume and credentials. I would greatly appreciate the opportunity to speak with you regarding my candidacy. Thank you for your consideration.

Sincerely,

Mahardika Alamsyah Singgih
